

Rapid Intervention Team Basic Training FSC 760

16 Hours Lecture-12.0hrs / Lab-4.0hrs

DOH Con-Ed Units 0.0-M/T : 0.0-Other Gear: TOG, SCBA

This course is designed to provide fire fighters with the knowledge and skill objectives to safely

perform rescue techniques to remove trapped or lost fire fighters during deteriorating suppression

activities. Included in this course: RIT Team roles and responsibilities, evaluation of case studies,

function during suppression activities, lifting and moving techniques, extrication support needs,

team building skills, size-up techniques, and structure layout. The fire fighter will also participate

in "live" scenario based evaluations involving a down/trapped fire fighter.

Head Instructor: Rick Scheesley

When: Saturday October 23rd and October 30th

8:00am to 4:30pm

Where: Lebanon County Fire School

833 Metro Drive

Lebanon, Pa

This class is open to anyone, but you must register by calling Firefighter Kindall Wann 484-334-1302, no later than October 8, 2010.
